

Professional On-Site Acupuncture Service for Elderly Residents

Half Day Leave – Traditional Chinese Medicine

半日假

half day leave

What We Do

Half Day Leave provides professional on-site acupuncture services designed specifically for elderly residents in care facilities.

Our goal is to **support pain management, mobility, and overall wellbeing through safe, gentle, and clinically appropriate Traditional Chinese Medicine treatment (acupuncture).**

**Our Collab with
EHA Bayview
Elder Care
@Sungai Long**

半日假
half day leave

Benefits for Residents

Our treatments are tailored to common elderly health conditions, including:

Chronic Pain

Knee, lower back, neck, shoulder

Joint Stiffness

Degenerative joint, morning stiffness and pain

Stroke Recovery Support

Muscle weakness or partial paralysis

Reduced Mobility

Often due to aging, inactivity or bad rest, which will increase fall risk

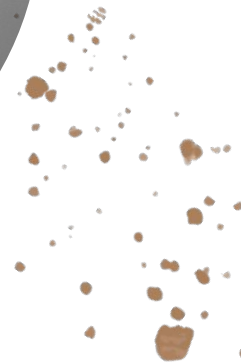

Sleep Issues

Pain & discomfort worsen sleep quality, and poor sleep affects recovery and mood

Expected Outcomes

- Reduced pain & discomfort
- Improved mobility & physical function
- Improved sleep quality
- Greater comfort & relaxation
- Enhanced overall quality of life

Our Collab with Gym

half day leave

Benefits for Your Facility

半日假
half day leave

- Enhances your facility's professional and holistic care offering
- Improves resident satisfaction and wellbeing
- Increases confidence and trust from residents' families
- Adds professional healthcare support without burdening your staff
- We handle all treatment equipment, setup, and procedures independently and professionally.

Service Structure

- Provided by certified Traditional Chinese Medicine practitioners
 - Gentle, safe techniques suitable for elderly individuals
 - Strict hygiene and safety protocols followed
 - Conducted on-site at your facility
 - Flexible scheduling (weekly, bi-weekly, or monthly)
- Each resident receives individual assessment and appropriate treatment.
